

Would you like to take part in shaping the Town of Crested Butte's future while concurrently preserving its past? The Board of Zoning and Architectural Review (BOZAR) has an opening for one Board member. The BOZAR meets at least once per month and members rotate on the Design Review Committee. Applicants must have lived in Town for at least one year and the ability to read plans is also advantageous. Crested Butte is a growing and dynamic community. If you have an interest in architecture, construction, design or historic preservation, please fill out an application. Download the application from the "Jobs" page on our website <http://townofcrestedbutte.com>, pick one up in the Building Department at Town Hall or contact Molly Minneman or Jessie Earley via phone 970-349-5338 or email mollym@crestedbutte-co.gov, jeasley@crestedbutte-co.gov
